Encourage Families, friends, and youth groups to get involved!

Have some fun creating awareness and fundraising to help those in need at HSHM! Establish personal challenges, do a dance, share a video, etc. We love your creativity!

Take the challenge and do your best!

We encourage everyone to raise $1,000 per car. No matter how much you're able to raise, please come out on February 4, 2022 to experience first hand living out of your car for one night.
